

QUALITY POLICY

Flow Test Equipment FZCO shall provide Flow Control products and solutions that meet applicable requirements.

We intend to achieve this by:

- Providing our customers with specified quality and defect free products and services.
- Continual improvement of the quality of our products, processes, and services
- To ensure the safety of our products for our clients and employees.
- Developing our market share and becoming a recognized vendor of Flow Control products in the Middle East.
- Enhance customer satisfaction levels.

It shall be ensured that this quality policy is communicated to personnel at all levels within the organization. This policy shall be the basis for establishing and reviewing quality objectives and shall be reviewed for its continuing suitability at periodic intervals.
